Sue,

Thank you for responding so quickly after our discussion this morning. EPA looks forward to working with you, your company, consultant and legal counsel in negotiating an AOC within the next 45 days. Please forward my contact information to your legal counsel once he is retained. Meanwhile, feel free to continue to communicate directly with Carlo with any questions or issues concerning this matter.

Subject: Toppenish AOC

Deborah:

I am writing to give you notice that we are interested in entering into an AOC with EPA "along the lines" of the one we received on January 7, 2010, for the property at 102 E. Toppenish Ave, Toppenish, WA.
